Reservations

To reserve a date we require a **\$20 per person deposit**, with the **remaining balance due 7 days prior** to trip date. Upon receipt of your deposit, you will be sent a confirmation letter and trip information packet, *preferably by email*, if an email address is available. We recommend that you make your reservations as early as possible. Some of the best dates fill up fast. However we do accept last minute reservations accompanied with a full payment if space is still available.

Cancellation Policies

Full refund less a \$10 handling fee will be granted to any cancellation made 7 days prior to trip date. Within 7 days of trip date no refunds are granted, but substitutions are *always* allowed. We offer the additional option of rescheduling your trip with a minimum 72 hour notice plus a \$20 handling fee (no fee for trips rescheduled 7+ days prior to date). No rescheduling or refunds are allowed within 72hrs or for no shows, for any reason, *sorry!* If *we* cancel the trip due to unsafe water conditions or insufficient bookings, we will refund the full amount paid or reschedule the trip (*your choice*). Please note that *we do raft rain or shine!*

Personal Responsibility

Our top priority is to provide the safest, most professional river trips possible. But rafting, as with all outdoor recreational activities, involves some unavoidable risk. *All participants must read and sign a liability release and assumption of risk form, participants under 18 years of age must have a parent or guardian's signature.* The consumption of alcohol before or during our trips is not allowed.
